ARTIST BIOGRAPHY

Born and raised in Spanish Town, Jamaica, RajahWild brings a restless edge to dancehall. His Rock Hall identity pairs the pulse of Jamaican rhythms with rock attitude, direct lyrics and a distinct visual presence.

His catalogue includes Wild Out, Gogo, 100 Mile and Dolly House. Catchy hooks and energetic performances have connected his music with audiences in Jamaica and beyond. His 2026 album Lost Youth, released on 13 February, expands that world across 12 tracks, including Bittersweet, Rave and Money Time.

On stage, RajahWild moves between intimate, band-backed performances and major dancehall events. He opened the Sound Check series at Dubwise Cafe in Kingston in May 2024, backed by the Dub Squad Band. In June 2026, he co-headlined Guinness Pull Up with Kraff at the National Arena car park.
